

Sun Fresh Milk wows crowd at SMX, MOA

Sun Fresh Dairy made a headway during the recent World Food Exhibition last August 3-6, 2011 at SMX, Mall of Asia. With the tagline, "fresh from the farm with no preservatives", the viewing public enjoyed the product tasting of Sun Fresh Milk during the event.

From oldies but goodies to yuppies, all were united in saying that the milk is "Delicious and Creamy" - exactly what the 5th District of Pangasinan Dairy Multipurpose Cooperative would love to convey to our kababayans. With a handful of dealers mostly located in the Northern Luzon areas, they are now set to open numerous outlets in Metro Manila especially in the supermarkets.

With the overwhelming positive public reception of Sun Fresh Dairy's products, we can conclude that it Sun Fresh is earnestly working towards the attainment of its vision of improving the quality of life for citizens by providing access to high quality life, locally sourced fresh milk and milk products, enhancing the livelihood of local farmers by empowering them with a sustainable industry.
